FUNDRAISING PROGRAM

- Easy
- Lucrative
- No up-front costs
- Reflects your values

**You do the work,
You keep 40% of sales***

(*MINUS SHIPPING COSTS. GREATER VANCOUVER GROUPS HAVE NO SHIPPING COSTS, AS ARRANGEMENTS CAN BE MADE FOR PICK-UP OR DELIVERY. FOR NON-LOCAL GROUPS, TOTAL SHIPPING COSTS ARE USUALLY BELOW 10% OF SALES)

- We consult with you to choose products proven to sell at your type of event.
 - We provide the goods to you on consignment: you simply return any unsold merchandise, with no up-front costs.
- We will invoice you for 60% of the retail price for the products sold (plus GST and any shipping costs), so you keep 40% of the retail price.
- You are responsible for any shipping costs: to you, and returning the unsold product.
 - We can assist in recommending community events, festivals, and other great retail opportunities.
- Can be as simple as handing out our catalogue to your members, families, and friends (you coordinate sales and delivery), or choose to host a fundraising event for the general public.

**We do the work,
You get 20% of sales**

- Simply hand out our catalogue to your members, families, and friends. We coordinate sales and delivery directly to each individual, and you receive 20% of sales.
- Even easier: refer people to a special page on our Website designed for your fundraiser (using a link from your site, or other offline means). We coordinate sales and delivery directly to each individual, and you receive 20% of sales from your referrals (coming soon - call for details).
